

Geography Knowledge Organiser

Tudor Rose

Year 4

Our learning

In our geography lessons this term we will be learning about Michelham Priory in East Sussex and how the **place** has changed over time.

We will look at maps of the **location** from today and from the past to see how it has changed.

We will learn skills in geography **fieldwork** during our **local study** by using a range of maps.

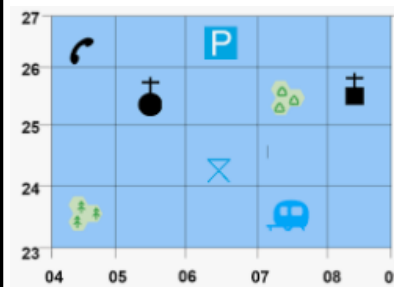

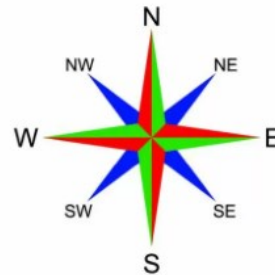

Information

The area around Michelham Priory has changed over time.

The River Cuckmere flows by the Priory.

The land around Michelham Priory is used in different ways.

Land use in the area includes farm land, **urban** areas, roads and a **tourist attraction** (adventure park).
