Pudding to Pepys

Year 2

Our learning

We will learn about how the Great Fire of London started in a bakery and what happened after it was over.

Information

The houses in London were made of wood. and were close together. The wind helped the fire to spread. Samuel Pepys wrote a diary about the fire.

Important Dates

1666 - The Great Fire of London happened.

Vocabulary

Dry Summer - Very hot, dry weather in summertime.

Embers - Small fiery pieces of wood.

Fire Bridge - A bridge to let people cross the river if there is a fire.

Firebreak - A long gap between buildings to stop fire spreading.
