When in Rome

Year 3

Our learning

In our history lessons this term we will learn about life in Roman Britain. We will learn about the **cause and consequences** of the Roman **invasion** of Britain. We will consider how different Roman Emperors showed their **leadership** qualities to their people.

Information

The Roman Empire started in a part of Europe that is now known as Italy.

The Romans tried to **conquer** Britain several times before Claudius was successful in AD43.

The Romans made various **improvements** to life in Britain.

Boudicca, a British (Celtic) leader led an unsuccessful **rebellion** against the Romans.

The Romans eventually left Britain to sort out problems in other parts of their empire.
