

Science Knowledge Organiser **Animals including humans (Term 4)** **Year 2**

Our learning

We will learn about animals including humans. We will learn about the life cycles of different animals.

We will learn how humans keep healthy.

Butterfly Life Cycle

Information

Animals and humans have different stages in their lives.

Human stages are: baby, toddler, child, teenager and adult.

Humans and animals need water, food and air to survive.

Washing helps keep humans healthy and clean.

Vocabulary

Survival - To stay alive

Exercise - Being active to keep healthy

Hygiene - The way we care for our bodies

Nutrition - Goodness from our food

Life cycle - A living thing from birth to death

As a scientist I will...

Ask simple questions.

Use books and other things to help answer the questions.

Basic Needs of Animals
