Pudding to Pepys

Year 2

Our learning

We will learn about **Eastbourne**, which is where we live, and **London**. We will think about how they are similar and different.

The Houses of Parliament and Big Ben in London

The River Thames flows through London

Information

The four countries in the United Kingdom are England, Scotland, Wales and Northern Ireland.

The capital city of England is London.

United Kingdom

Vocabulary

Beach - A bit of land next to the sea.

Cliff - A high rock face at the edge of the sea.

Hill - Land that is higher than other land around it.
