

THE OAKWOOD BRANCH Term 1 Week 4

WELCOME NOTE

At Oakwood, we value the partnership we have with our parent community and know that consistent and regular communication is a part of this. We hope that our weekly bulletin - The Oakwood Branch - will share key information and updates related to our school each week, to help keep our families up-to-date.

This year, in conjunction with a review of a behaviour policy, we've also launched our brand-new behaviour curriculum, placing more emphasis on teaching pro-social behaviours and life skills to support our pupils in managing emotions and conflict. To kick start this project, each class has been talking regularly about behaviour and every class has been emerging themselves in their year group text as a starting point for key learning and discussions. We are so proud of the art canvasses that each class have produced for this and they are now displayed proudly in our hall. We can't wait to share these with you at our upcoming parents' evenings.

WRAPAROUND PROVISION

At Oakwood, we are pleased to offer our own, school-led wrap-around provision. This includes our offer of breakfast club each morning from 7.45am and after-school provision until 5.30pm, including a range of activity sessions suited to our pupils' interests each afternoon/ early evening. Do take a look overleaf to find out more about our clubs on offer!

I am pleased to share that we'll also be running "Waffle Wednesdays" in October, so that any children booked in for breakfast on this day will be able to have a delicious waffle with fresh fruit toppings!

Mrs Hubbard, our school business manager, is working hard to balance our offer with what our parent body want and need, so please do take a moment to fill in the survey coming out shortly!
