

# THE OAKWOOD BRANCH Term 1 Week 5

## WELCOME NOTE

At Oakwood, we value the partnership we have with our parent community and know that consistent and regular communication is a part of this. We hope that our weekly bulletin - The Oakwood Branch - will share key information and updates related to our school each week, to help keep our families up-to-date.

A learning filled week in school this week, with our classes enjoying working on their kindness pledges, science experiments and computing projects, as well as lunchtime singing and dancing to k-pop! We can't wait to share your child's term 1 highlights at our upcoming parents' evenings - remember to book!

## SCHOOL AMBASSADORS

I am thrilled to announce the results from our recent head boy and head girl interviews. Mr Sharp and I were so blown away by the strength of these class-elected candidates that we've now extended our school ambassador team, and are proud to announce our new head girl (Aya), head boy (David), deputy head girl (Matilda), deputy head boy (Noah) and our team of newly appointed school ambassadors (Kallais, Ethan, Angel and Shawn). In the coming terms, all of our ambassadors will be supporting school tours, key visitors, younger year groups and school projects! p Congratulations to you all - I can't wait to work with such an incredible bunch!
