

# History & Geography at Oakwood

## Curriculum Materials:

Our curriculum is based upon

the Aurora curriculum:

- Knowledge organiser
  - Pop quiz
  - Thinking square
  - Concept question

## Curriculum Time:

We dedicate approximately one afternoon session of learning per week to history or geography lessons. History units are covered in terms 1,3 and 5, with geography taught in terms 2,4 and 6.

## Humanities Overview

At Oakwood Primary Academy, our history and geography learning is designed to help children to develop understanding of key concepts within the subjects. A rich curriculum has been developed to teach key knowledge and skills, and this is progressive throughout the curriculum. Local studies are also a key element in both our history and geography curriculums, developing an understanding of how local, national and world-wide history and geography link together to make it real and relevant to our pupils. We promote regular opportunities for practical work, field work and drama within each of our units.
