Music Overview

At Oakwood, a specialist music teacher from the Sussex Music School delivers a high-quality education to all our children from Year 1- Year 6. Each class has a dedicated lesson in our well-equipped music room, with Reception and Nursery children learning musical elements in their classrooms. We also benefit from having visiting music teachers who provide individual lessons with instruments including drums, keyboards and guitars. Different instruments are also taught as part of the curriculum. Recorders are taught in Year 4, Ukeleles in Year 5 and keyboards in Year 6. A summer concert rounds off the school year and showcases all the wonderful music teaching that has taken place throughout the year!
