

THE OAKWOOD BRANCH Term 3 Week 2

WELCOME NOTE

At Oakwood, we value the partnership we have with our parent community and know that consistent and regular communication is a part of this. We hope that our weekly bulletin - The Oakwood Branch - will share key information and updates related to our school each week, to help keep our families up-to-date.

We've had an exciting week at Oakwood this week, despite the grey and wet weather. We ended the week with a new-style 'play' assembly, tailored at looking at how we continue to progress on our OPAL journey. As part of this, we're encouraging children to bring in either a spare pair of shoes or wellies, that can be worn on the field at lunch time. This is specifically because we want to be able to use our amazing outdoor spaces all year round, but they are muddy!

SCIENCE SUPERSTARS

Caption: Science has been the flavour of the week here at Oakwood, with so many of our classes engrossed in their latest topics this half-term. Year two have been working especially hard to sort animals into the five different vertebrate groups and invertebrates too!
