

THE OAKWOOD BRANCH Term 3 Week 3

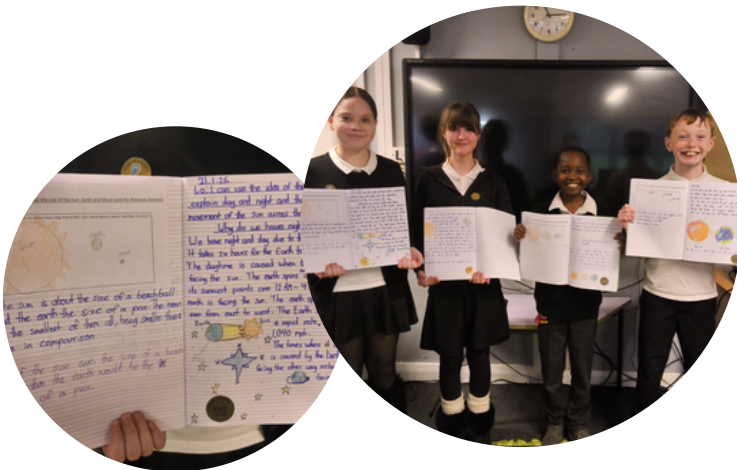

WELCOME NOTE

At Oakwood, we value the partnership we have with our parent community and know that consistent and regular communication is a part of this. We hope that our weekly bulletin - The Oakwood Branch - will share key information and updates related to our school each week, to help keep our families up-to-date.

Our highlights of the week this week have included another play assembly, looking at how we can use equipment to build our very own slope-slide; a wonderful turn-out for Golden Tickets on Friday afternoon; exciting science investigations in all our KS2 classrooms; a year 5 cooking workshop and year 1 being able to tell me all about Christopher Columbus! Everyone has been working on 'being better every day' and being their best selves!

YEAR SIX SUPERSTARS

Caption: Mr Sharp and I had the pleasure of seeing year six science in action this week, as they used tennis balls and torches to scientifically explain why the Earth experiences night and day. We were so impressed with the children's use of expert vocabulary and their well-presented explanations too!

START OF THE YEAR

THIS WEEK...

**A HUGE SHOUT OUT TO YEAR 4!
YOUR TIMES TABLES PROGRESS IS
AWESOME! KEEP UP THE HARD
WORK & PRACTISE ON TTRS!**

PARENT & COMMUNITY NOTICES ☺☺☺

PINS Coffee Morning - This Tuesday!

We're hosting our next PINS project parents/ carers coffee morning on **Tuesday 8.45 - 10.30am**. Parents said that the last one provided 'practical tips and solutions' and was 'a friendly, welcoming forum, where no-one judges and you can speak openly with others in the same boat'!

This project is centered around supporting families to understand neurodiversity and explore this within their own children and families. We'd love to see you there!

Don't forget to book your **parents' evening slots** on Arbor!
