

THE OAKWOOD BRANCH Term 4 Week 2

WELCOME NOTE

At Oakwood, we value the partnership we have with our parent community and know that consistent and regular communication is a part of this. We hope that our weekly bulletin - The Oakwood Branch - will share key information and updates related to our school each week, to help keep our families up-to-date.

The whole-school threw themselves into our World Book Day celebrations this week and it was wonderful to see so many fantastic costume efforts and parents in attendance at our World Book Day parental engagement. We truly value parental support to develop good reading habits at home and in school and know that statistics demonstrate that parental support and time reading for pleasure at home can add up to 4 months additional value to a child's progress each year!

World Book Day Celebrations

Caption: We love the power of reading and could not believe that it doesn't matter in what order the letters in a word are, the only important thing is that the first and last letter be at the right place. The rest can be a total mess and you can still read; this is because the human mind does not read every letter by itself, but the word as a whole.
