

THE OAKWOOD BRANCH Term 4 Week 4

WELCOME NOTE

At Oakwood, we value the partnership we have with our parent community and know that consistent and regular communication is a part of this. We hope that our weekly bulletin - The Oakwood Branch - will share key information and updates related to our school each week, to help keep our families up-to-date.

A huge thank you to everyone for your fantastic efforts with red accessories in recognition of 'red nose day' to end the week - our final Friday assembly was a sea of red smiles! As we head into the last week of term, we're continuing our collective responsibility to be 'ready, respectful & safe' - our three school rules. We practised being 'ready' this week with our termly fire drill practise and we've all agreed to focus on greeting school visitors with lots of respect and polite curiosity this week.

We loved having our lambs!

Caption: Thanks to the South of England Agricultural Society (arranged by Ms Seath) we loved looking after our ewe and her lambs this week! The classes all loved being able to visit, linking this to our science on life-cycles and wellbeing, looking after animals.

We're looking forward to another successful year of our Oakwood 'Match Box' challenge, which our PTFA will be launching just before the Easter break! In preparation, start thinking of decoration ideas, minuscule items and fascinating finds to include! Our children had so much fun with this last year and we can't wait to see their innovation & determination again!
