THE OAKWOOD BRANCH Term 6 Week 5

WELCOME NOTE

At Oakwood, we value the partnership we have with our parent community and know that consistent and regular communication is a part of this. We hope that our weekly bulletin - The Oakwood Branch - will share key information and updates related to our school each week, to help keep our families up-to-date.

It has been a fantastic week at Oakwood, with our transition sessions proving a great success and children thoroughly enjoying the opportunity to meet their new teachers and spend time in their new classrooms. We also completed our fire drill practice, and I was incredibly proud of how smoothly it went, with children behaving impeccably throughout. Finally, thank you again to everyone who took the time to complete our Family Survey; senior leaders have been forward planning for next year and we look forward to sharing our 'You Said, We Will' actions with you very soon.

Year 2: Mapping the road to success!

This week, year 2 have been learning all about compass points and the language of direction and movement. They worked in small groups to create large maps including all the key features. Each group presented their map to the class and asked children to give directions moving from A to B. What a life skill!
