

THE OAKWOOD BRANCH Term 1 Week 5

WELCOME NOTE

Another week has flown by at Oakwood! It has been a real pleasure visiting every classroom and seeing our topic learning in full swing. A particular highlight was joining Year 5 for some outdoor science, exploring soluble and insoluble materials and investigating mixing and separation. I also had the opportunity to teach Year 6 this week and I thoroughly enjoyed tackling some challenging 'working backwards' maths problems together.

Following feedback from last year's parent and pupil surveys, we reviewed our lunchtime structure so that KS1 and KS2 have separate lunch breaks Monday to Thursday this year. However, we didn't want children to lose opportunities to spend time with friends and family members across the school, so we introduced our new Free-Flow, Friends and Family Fridays, alongside the ever-popular Friday disco.

Seeing children laughing, playing and dancing together on the playground has been wonderful and was a lovely way to end the week.

Football Superstars

Our football team represented Oakwood in Bede's local tournament. They demonstrated excellent sportsmanship and skill both on and off the pitch and conducted themselves with such determination and resilience! Miss Stew was particularly proud of you all - well done team! We can't wait to get involved in more sporting events and competitions coming up!

We've noticed an upswing in children bringing in toys and fidgets from home. Please know that we agree the use of key sensory items for individual children that may be used to support learning, focus and attention alongside our inclusion team and class teachers, but kindly request that if your child does not have an agreed plan in place that these items are left at home or in the children's bags.
